DESCRIPTION

Metcraft lavatory counters are available in several standard sizes determined by the number of lavatory basins. These fixtures are constructed from 14 gauge type 304 stainless steel with a satin finish.

INSTALLATION

Counters are furnished with concealed wall hangers at the back splash. In addition the sink features a bracket that runs the full length of the back that features multiple slots that provide numerous mounting locations, as well as additional mounting holes incorporated into the bottom enclosure. Faucets and drain fittings can be provided by the installers or Metcraft (See Option Page).

FAUCETS

- A306** Gooseneck faucet with wrist blade handles.
- A307** Chrome faucet with blade style handles.

OPTIONAL ACCESSORIES

- SJP** Commercial Slip Joint P-Trap with clean out.

VALVE PUNCHINGS
